

2018-2020 Continuous Improvement Work Plan

SY2018-2019 CIWP and Budget Approval Form

Instructions: After completing any updates to their CIWP, Fund Compliance Page or Parent Involvement Policy and Compact (for Title I schools only), schools must present the CIWP and Budget first to their Local School Council (LSC), followed by the Network Chief for approval. A school's Accountability Status will determine whether the LSC or the Network Chief has final approving authority over the Budget and/or CIWP, meaning all changes must be approved by this entity prior to submission. For schools in Intensive Support, the Network Chief maintains final approving authority over the CIWP and Budget. For schools in Provisional Support, the Network Chief has final approving authority over the CIWP, while the LSC maintains authority over the Budget. For all schools in Good Standing, the LSC maintains final approving authority over both the Budget and the CIWP.

School Information

School Name: _____

School ID: _____

State/ISBE ID: _____

Principal Signature

Name: _____

Signature: _____

Date: _____

Check the required documents for completion:
